

PROMOTING THE HUMAN RIGHTS OF LGBTI PEOPLE IN THE ARMENIAN SOCIETY

Project goal

To reduce manifestations of discrimination in policies, laws, societal norms and practices by challenging the dominant discourse of inequality and institutionalized discriminatory practices against LGBTI people in Armenia and empowering LGBTI individuals subjected to discrimination.

NGNGO Project Activities

- Advocate for recognizing the blood donation regulations unconstitutional
- Draft a law on sex reassignment surgeries and legal gender recognition
- Organize trainings for state actors directly connected to LGBTI issues

NGNGO Project Target Groups

- Representatives of state institutions, decision makers on LGBTI issues
- CSO representatives
- The general public

Duration • 2016-2019
