

RIGHT TO HEALTH

“New Generation” Humanitarian NGO implements “Right to Health” project, 2017-2019, for MSM and Trans community representatives in Armenia.

GOAL

To promote the growth of the number of MSM and Trans persons with constant and continuous access to HIV services.

The project is implemented with the financial support of the Eurasian Coalition on Male Health (ECOM) from the funds of the Global Fund to fight AIDS, tuberculosis and malaria.

PROJECT ACTIVITIES

- Increase of the community activity and their participation in decision-making process.
- Increase of the strategic information quality and availability growth and their usage in decision-making.
- Ability of intervention quality growth planning aimed at HIV prevention among MSM and Trans people
- Priority of MSM and Trans* communities on the national level according to the HIV prevalence in the mentioned communities
- Improvement of MSM and Trans NGOs management quality
- Enhancement of MSM and Trans NGOs stability, including fundraising capacities
- Development of activities in the legal environment
