

# HIV PREVENTION AMONG MSM, CSW AND TRANS PEOPLE IN ARMENIA

## 2019 - 2021

### Project goal

To support the implementation of the National Program of Armenia on response to HIV and AIDS among MSM, CSW and trans people through awareness raising on HIV and AIDS, voluntary consultation and testing, detection of new HIV cases and referral to the National Center for AIDS prevention under the Ministry of Health of RA.

### Project objectives

To create a friendly environment for supporting MSM, CSWs and trans people in the scope of provision of HIV related services.

To ensure the community based access to HIV related services for MSM, CSWs and trans people.

To promote safe sex behavior among MSM, CSWs and trans people.

To raise the awareness of MSM, CSWs and trans people about HIV and AIDS, STIs and related issues.

To ensure timely detection of new HIV cases among MSM, CSWs and trans people and their referral to the National Centre for AIDS prevention of Armenia for care and treatment.

### Project beneficiaries

#### MSM

- Men who have sex with men

#### CSW

- Commercial female sex workers

#### TG
